

## **3<sup>RD</sup> CONGRESS ON TOOTHTRANSPLANTATION: NEW DATE!**

**NEW DATES ARE MAY 19-21, 2022**

Dear speakers, dear participants, dear colleagues,

Since the **COVID-19 pandemic** is going on with traveling restrictions and rules for social distancing we made a difficult decision to postpone the 3<sup>rd</sup> Congress on Tooth Transplantation until 2022. This is sad but your safety is our highest priority.

**Congress course:**

**May 19 – May 21, 2022**

**Consensus meeting:**

**May 22, 2022**

We are determined to maintain the lay-out and the schedule of **keynote lectures, short oral presentations and posters** as has been planned for this year, if possible.

Thank you for your understanding in these hard times which nobody could have foreseen and we hope to find the best way out of this situation and we hope that we can all meet in 2022 in full health!
